

Sky HQ Car Park

Market Sector: Commercial, Parking

Client: Sky Media Group

Main Contractor: Bourne Parking

Project Value: £475,800

The brief:

DEWCO's mechanical services were contracted by Bourne Parking Ltd for the Sky HQ Car Park in Isleworth. Bourne Parking Ltd were commissioned to design and build a multi-storey car park to provide additional parking requirements for the Sky Media Company campus.

The result is no ordinary car park – with 740 spaces, taxi and bus assembly points, warehouse infrastructure and an impressive external perimeter cladding.
