

MOD Accommodation (various garrisons)

Market Sector: Defence, Modular

Client: Aspire Defence Capital Works

Main Contractor: Rollalong Ltd

Project Value: £15m over 3 years

The brief:

DEWCO were contracted by main contractor Rollalong Ltd on a 3 year project to provide quality Single Living Accommodation for Junior Rank Officers at various garrisons across the South. The aim is to provide upgraded living accommodation to improve the quality of life for existing military personnel, encourage a new generation to join the army and also to provide a new home for troops returning under the Army Basing Programme (ABP). These modular buildings, constructed using offsite technology, follow a rigid and fast-paced schedule and our engineers are currently responsible for the full mechanical fit out across multiple sites.
